

A SIMPLE AND ECONOMIC SOLUTION FOR RECYCLING YOUR USED ABRASIVE WHEELS.

USED GRINDING WHEELS

Do you have a stock of used grinding wheels that you wish to dispose of?

Valoref has the ideal recycling solution for you and your needs.

DESCRIPTION

-  **All types of Bonded Abrasive Wheels**
All dimensions and sizes, with or without inserts.
- All types of grain**
Corundum, Alumina, Zirconium Oxide, Ceramic.
- All quantities**
Upwards of 1 Ton.
- All types of packaging**
Bulk, Big-Bags, Crates...
- Logistics**
We offer two types of logistical solutions :
Valorboxes for small quantities, or 10m3 skips.
- Simplicity**
We will empty the containers at your request.

RECYCLING

-  **Procedure**
Once a Certificate of Acceptance has been opened, renewable every year by declaration, we will recycle your used grinding wheels for the whole year.
 - Recycling**
The used abrasive wheels are recycled at our Bollène site (*Government Authorization n°2495 of 11/10/1996. Supplementary Decree 2012034-002. Receipt 2014-07 acknowledging the Decree 98-679 of 30th July 1998 for transport, brokerage and trade of waste materials. Certified ISO 9001 and ISO 14001.*)
 - Follow-Up**
We will send you an annual progress report along with your recycling certificate.
- We guarantee you an annual fixed price, independent of the volume of recycled material.**
